BASIC INFORMATION FOR REGISTRATION

file forms online: www.copyright.gov

You may NOT proceed with this form if the music you want to submit for copyright registration contains any sampled material that has not been cleared for use.

11. What type of musical work are you copyrighting? (Check one only)

- Individual Song
- Album/Collection of songs

12. Title of the work:

13. For this work, what do you want to copyright? (Check one only)

Only select "Both" if the same person (or people) can claim copyright ownership (authored the work) of both the underlying musical composition & the sound recording. Otherwise, you will need to file separate copyright applications.

- The underlying musical composition (music & accompanying lyrics)
- The sound recording
- Both

14. Is the work unpublished or published?

A work is considered published if it has been distributed physically or digitally to the public for sale and/or promotional purposes.

Unpublished

Published

a. If published, list the full date and country of the first publication:
